More Audio Drama is the second collection of plays by Neville Teller, intended both for lovers of radio drama and for podcast producers who specialise in audio drama.

Neville is a veteran radio dramatist, with more than 50 BBC radio plays under his belt and scores more produced and broadcast across America by the San

Francisco-based Shoestring Radio Theatre.

Back in 2019 he published his first collection of ten radio plays, *Audio Drama*. They have been so welcomed that he decided to make another ten available. Here they are – 10 more of Neville’s plays for radio and podcast, all of which have been produced and broadcast. As in his first book, these scripts are offered to podcast producers with no strings attached. The books on which they are based are all literary classics in the public domain. No performance rights are required.

Whether you are a podcast producer seeking fully realised audio drama scripts, or one of the worldwide listening audience who love radio drama with its power to create images in the mind’s eye, *More Audio Drama* is a book to treasure and enjoy.
