Are you a guitar enthusiast looking to expand your repertoire and immerse yourself in the enchanting sounds of Gypsy Jazz? Look no further! In this article, we have gathered 100 incredible Gypsy Jazz guitar licks that will transport you to the world of Django Reinhardt and his mesmerizing improvisational style.

What is Gypsy Jazz?

Gypsy Jazz, also known as Jazz Manouche or Django Jazz, is a style of music that originated in the 1930s in France. It was popularized by the legendary guitarist Django Reinhardt, who is regarded as one of the greatest guitarists of all time.

Gypsy Jazz is characterized by its infectious rhythm, rich chromaticism, and virtuosic improvisations. The use of acoustic guitars, especially the Selmer-Maccaferri guitar, and the iconic 'Le Pompe' rhythm are some of the defining features of this genre.

Remi Harris' 100 Gypsy Jazz Guitar Licks

If you're looking for the most direct pathway to learn incredible gypsy jazz guitar soloing – here it is!

“Remi Harris is one of the very finest and most exciting exponents of gypsy jazz guitar ... now he is passing along his knowledge and experience to anyone who wants to play this wonderful music and discover just how incredibly cool it really is!” – Dr Martin Taylor MBE

Get ready to master authentic gypsy jazz guitar soloing with over 100 guitar licks that perfectly recreate the feel of the classic sound.

- Would you like to play effortless hot club style guitar solos?
- Want to build a vocabulary of authentic gypsy jazz guitar licks that work perfectly, every single time?
- Do you want to master the language of guitar Django Reinhardt, Biréli Lagrène, and many more?

Gypsy Jazz (also known as gypsy swing, jazz manouche or the hot club style) was one of the most ground-breaking and accessible forms of early jazz, and is still incredibly popular today through the “modern manouche” movement. However, it typically doesn’t lend itself to the kind of music theory that most guitarists are used to playing.

100 Gypsy Jazz Guitar Licks cuts right to the chase with an overview of how gypsy jazz guitarists think when they solo, then dives straight in to teach every concept via 100 iconic licks.

You’ll be sounding like an authentic gypsy jazz guitar player in no time at all.

The book is organised into two powerful sections:

Part one covers the language you’ll need to solo on longer sections of static chords. In this section you’ll learn to solo fluently on major, minor and dominant 7 chords in the most useful keys (G Major, D Major, A Minor and D Minor).

Part two covers the classic language you need for soloing over essential chord changes, such as the major and minor ii V I sequences.

It’s time to throw away the complex theory books and master the actual guitar licks played by a gypsy jazz virtuoso!

100 Gypsy Jazz Guitar Licks – Here’s What You Get:

- A organised bible of gypsy jazz guitar lines for every situation
- Over 100 jazz guitar licks distilled from generations of guitar virtuosity
- Live recorded audio examples from Remi Harris’ own studio

- Audio examples of every lick that you can download for free
- Perfectly transcribed standard notation and TAB

When it's time to head for the hot club jam session, you'll never be stuck for something to say!

A Guitar Phrasebook That Stands the Test of Time

What most excites us about this book is that it brings together the vocabulary of "old school" gypsy jazz and "modern manouche". You won't find a great resource like this anywhere else. It distils years of study and playing experience into 100 perfectly executed, attention grabbing licks.

They just work!
