

# 500 Various Sizes Of House Plans As Per Vastu Shastra

Vastu Shastra, an ancient Indian science of architecture and construction, provides guidelines for designing and building homes that are believed to bring peace, prosperity, and happiness to the occupants. One of the essential aspects of Vastu Shastra is the correct layout and arrangement of rooms within a house,

based on various factors such as the size, shape, and direction of the plot. In this article, we will explore 500 different house plans that comply with the principles of Vastu Shastra, catering to various sizes of plots.

## Understanding Vastu Shastra House Plans

When it comes to designing a house as per Vastu Shastra, several factors need to be taken into consideration. These include the size and shape of the plot, the direction it faces, the positioning of doors and windows, the arrangement of rooms, and the overall flow of energy within the house. By adhering to these principles, it is believed that one can create a harmonious and balanced living space that promotes both physical and mental well-being.
