2. Sensory bin play: Fill a bin with various materials like sand, water, or beans. Allow your child to explore and describe their sensory experiences.

3. Sing nursery rhymes: Singing songs with repetitive words and rhymes helps in developing language skills.

4. Build with blocks: Building structures together promotes communication, problem-solving, and teamwork.

5. Role play: Encourage your child to pretend-play different characters and engage in conversations with you.

Activities for Preschoolers (Ages 4-6)

6. Treasure hunt: Create clues for your child to find hidden treasures, stimulating their communication and critical thinking skills.

7. Artistic storytelling: Have your child draw a picture and then narrate a story based on it.

8. Charades: Act out different animals, professions, or objects, and let your child guess.

9. Create a restaurant: Set up a pretend restaurant at home and encourage your child to take orders and communicate with customers.

10. Puppet theater: Help your child create a simple puppet theater and put on shows for family and friends.

Activities for School-aged Children (Ages 7-10)

11. Write and perform a play: Encourage your child to write a play script and organize a performance with friends.

12. Board games: Playing board games that require communication and strategy enhances language and critical thinking skills.

13. Start a book club: Read books together and discuss the story, characters, and themes.

14. Outdoor scavenger hunt: Give your child a list of items to find in nature, promoting communication while exploring the outdoors.

15. Science experiments: Engage in hands-on experiments that require communication and discussion of results.

There you have it - 90 activities to encourage your child's communication engagement and play. Remember, every child is different, so adapt these activities according to your child's age and interests. Communication skills are essential for their overall development, and these activities provide an enjoyable

way to enhance their abilities. So, start exploring, playing, and communicating with your child today!
