He was a Legendary Rogue in the VRMMORPG "Clash of the Titans" until a wizard attacked and sent him into a coma. Upon waking, he finds that he's taken the place of a thief named Soran within the game.

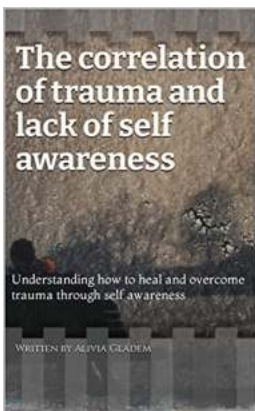

Now, using his knowledge from the game, he needs to not just survive, but protect Soran's little sister, Vivian, as well. Unfortunately, he's pretty sure the main storyline is about to begin, making the world a much more dangerous place. It's not just a matter of getting stronger. He needs time to do so - time he won't have if he and Vivian stay in Amber City.

With the help of a young priestess and the mistress of a merchant caravan, Soran hopes to level up and leave before anything too terrible happens. Of course, it'd also be nice if he could figure out the mysteries surrounding Vivian sooner rather than later.
