

An Intimate Biography Of Elizabeth Taylor Updated With New Chapter

Elizabeth Taylor, a Hollywood icon known for her mesmerizing beauty, remarkable talent, and tumultuous love life, has enchanted audiences for decades. She led a life that was as captivating as the characters she played on the silver screen. In this intimate biography, we delve deep into the fascinating journey of this legendary actress.

Early Life and Stardom

Elizabeth Rosemond Taylor was born on February 27, 1932, in London, England. Her parents were American art dealers, and her family moved to Los Angeles when she was seven years old. Taylor's stunning appearance and natural talent caught the attention of movie producers at a young age.

At the tender age of twelve, Taylor landed her first leading role in the film "National Velvet" (1944), instantly becoming a sensation. Her exquisite beauty and remarkable poise made her a star of the silver screen, and her talent was undeniable. As the years went by, Taylor went on to deliver impeccable performances in acclaimed films such as "Cat on a Hot Tin Roof" (1958) and "Cleopatra" (1963).

A Passionate Love Life

Elizabeth Taylor's love life was as famous as her on-screen performances. She captured the hearts of many leading men, starting a chain of marriages and highly publicized relationships. Taylor had a total of eight marriages, twice with actor Richard Burton.

Adding to the allure of her love affairs, her extravagant jewelry collection also became a hot topic in the media. Her striking beauty was often accentuated by breathtaking diamonds and other precious gems, igniting curiosity and envy among her admirers.

Activism and Humanitarian Work

Beyond her glittering career and mesmerizing beauty, Elizabeth Taylor was a trailblazer in activism and humanitarian work. She openly supported various causes, notably the fight against HIV/AIDS. Her tireless efforts raised awareness and funds to combat the disease, earning her widespread acclaim and respect.

Moreover, Taylor was involved in philanthropic endeavors, founding the Elizabeth Taylor AIDS Foundation. Her unwavering dedication and commitment to social issues left a lasting impact on both Hollywood and society as a whole.

Elizabeth Taylor's own story was more dramatic than any part she ever played on the screen. C. David Heymann brings her magnificently to life in this acclaimed biography--updated with a new chapter covering her final years.

She was an icon, one of the most watched, photographed, and gossiped-about personalities of our time. Child star, daughter of a controlling stage mother, Oscar-winning actress, seductress and eight-time wife, mother of four children and grandmother of ten, champion of funding for AIDS research, purveyor of perfumes and jewelry, close friend of celebrities and tycoons—Elizabeth Taylor, for almost eight decades, played most completely, beautifully, cunningly, flamboyantly, and scandalously her greatest role of all: herself.

The basis of an Emmy Award-nominated miniseries, Liz portrays Taylor's life and career in fascinating, revealing detail and includes an additional new chapter, bringing her beloved fans up to date on her final years. By way of more than a thousand interviews with stars, directors, producers, designers, friends, family, business associates, and employees and through extensive research among previously disclosed court, business, medical, and studio documents, bestselling author Heymann reminds readers of her very public escapades and unveils her most private moments.

Here are the highs and lows of her film career and the intimate circumstances of her marriages to Nicky Hilton, Michael Wilding, Mike Todd, Eddie Fisher, Richard Burton, Senator John Warner, and Larry Fortensky. Here, too, is the truth about Taylor's father and her friendships with leading men Montgomery Clift, James Dean, and Rock Hudson, as well as with the eccentric Malcolm Forbes and Michael Jackson. From her illnesses, injuries, weight issues, and battles against drug and alcohol, to her sexual exploits, diamond-studded adventures, and tumultuous love affairs, this is the enormously contradictory and glamorous life of Hollywood's last great star.
