Bellevue was founded in 1736 and is the oldest public hospital in the United States. Bellevue Psychiatric is famous for literary, film, and television references, and as a training ground for leaders in the psychiatric therapies. Dr. Beulieu came to Bellevue in 1973 from Indiana. He was hired on a research grant from New York University School of Medicine to research and develop community transition groups within the department of Active Therapy. His stories take place on the wards of Bellevue and the streets of New York City.

Dr. Beaulieu met and evaluated patients on the ward of Bellevue Psychiatric, and as the got better, helped them transition back into a more productive life. After years of being with patients inside and outside of the hospital his perspective began to change. One day while walking down the streets of New York he realized: Bellevue Psychiatric is part of a continuum that exists in all of our lives. The stories in this book are about people, wonderful people, who have so much to teach us.
