Clod-kickin' style for little cowboy feet!

Here are well-worn vintage boots and contemporary designs to fire the imagination and carry little feet into the corral and across the open fields. Cute-as-can-be, small-scale boots for little cowboy and cowgirl feet, are proportioned just like their grown-up counterparts, complete with inlaid and overlaid designs and bold colors! Especially collectable: labels such as official Lone Ranger, Tom Mix, Gene Autry, and Roy Rogers.

Jim Arndt is a commercial and editorial photographer as well as an avid collector of cowboy boots. His previous books include Art of the Boot, The Cowboy Boot Book, Art of the Heart, Art of the Skull, and Art of the Cross, among others. He lives in Santa Fe.
