Close Encounters of the Furred Kind is the follow-up to the Sunday Times Top Ten Bestseller *The Good, The Bad, and the Furry*. Like *The Good, The Bad, and the Furry*, it tells the story of Tom Cox's life with his charismatic cats--The Bear, Shipley, Ralph, and recent recruit Roscoe.

Close Encounters of the Furred Kind begins with a long, emotional goodbye to Norfolk, and continues with another amazing new lease on life for The Bear, the Benjamin Button of the cat world, among the bluebells and verdant hedgerows of Devon. Readers who became attached to The Bear's magical, owlish persona during his previous adventures will become more so here as he proves, once again, that he's a cat with endless secrets and significantly more than nine lives.
