### **1. Criminal Law Review**

**Criminal Law Review Case Assignment**  
(For Class Tuesday [4:30-9:30PM] Case Digest Division)

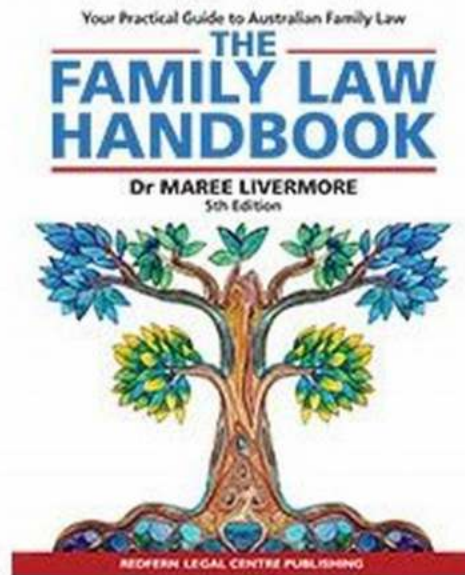

0 The list of students/classmates are in accordance with the signed yellow paper that was distributed for signing of names, contact numbers and email addresses on the **first day of class** in Criminal Law Review. I assigned cases based on the course outline provided for by Atty Nelson A. Salve which contained 200 cases to be digested by us and to be submitted on the day before or on the day of our midterm (I'll ask Sir on Tuesday) in **PRINTED FORM**, because Sir allowed us instead of handwritten, to be in printed form. And for the class to be uniform, let's choose **LONG SIZE BOND PAPER** as our paper size, and for it to be in book-hand. Kindly please make the digests of cases as assigned below and submit it to me on the 12<sup>th</sup> day of January, 2014, Sunday so that the remaining days after the submission and before the midterm date, I can compile the same and send it to all of our classmates and the letter can make the necessary changes/editing to make the digest theirs. Please digest the cases in line with the topic which those cases fall under as specified in our *Course Outline*. Kindly please be guided also that the digests of those assigned classmates must be returned and used by them as their own digests to be submitted, hence, others who will use the digests must see to it that they will edit/change the digests to make it their own. Thank you so much.
