This journey in Rock Arrangements goes in reverse order. The first page is the last rock arrangement. Working my way through the mystery was a challenge. I had to keep moving fast. Finally, I found just the right placement. That is the first picture. Therefore it is a digression. Different arrangements mean different things to each person. Follow the artist as he digresses. That's the first part. The second part is the best of all the Rock Arrangements that I used to ward off evil. You'll see. Thanks. Means a lot
