Aside from their aesthetic appeal, crochet birds offer several other advantages. Firstly, they are relatively quick projects compared to larger amigurumi or blanket projects. This means that you can enjoy the satisfaction of completing a stuffed toy fairly quickly. Secondly, they often require fewer materials, making them more budget-friendly for crochet enthusiasts.

Additionally, crocheting birds allows you to experiment with different yarn colors and textures to create unique effects. You can give each bird its own personality by selecting yarns that enhance its feathers, beak, or eyes. You can even make a whole aviary of birds with various sizes, shapes, and colors to showcase your creativity.

Forty fine-feathered friends to crochet using easy-to-master techniques with projects for all skill levels, from the bestselling author of Edward's Menagerie.

You'll be as happy as a lark as you crochet your way through this colorful collection of birds, including a bashful Flamingo, a romance-writing Owl, and a politically incorrect Pheasant. Read all about these kooky characters, their adorations and aversions, daydreams and delusions, then crochet them for friends and family.

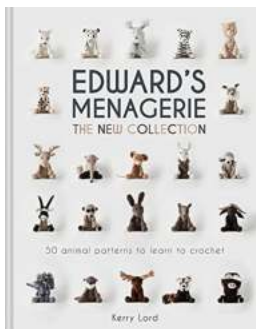

Each bird can be crocheted in four different sizes, making over 160 different pattern possibilities—so pick your first project and get started! The patterns use basic stitches, are grouped by difficulty and include step-by-step technical guides for beginners, so there's no excuse to chicken out.

These loveable birds are quick to make using a super-soft yarn in a sophisticated color palette, and will become your best friends as their larger-than-life personalities and easy-to-master techniques get their claws into you.

Praise for Edward’s Menagerie: Birds

“This book is a hoot! (Pun intended . . .) . . . I’m not naturally a fan of amigurumi, but this book by Kerry Lord may change all that.” —Bonnie Bay Crochet

“Edward's Menagerie: Birds has some of the most adorable toy birds that I have ever seen! . . . The author put a tremendous amount of detail into each bird pattern, which makes them all adorable in their own way.” —The Stitchin’ Mommy
