Unearthing Arizona's Majestic Landscapes

Prepare to be mesmerized by the awe-inspiring natural wonders that make Arizona a true gem of the Southwestern United States. The photographic collection showcases the grandeur of legendary landmarks such as the magnificent Grand Canyon. Each image captures the beauty of the crimson cliffs and deep canyons, allowing viewers to virtually transport themselves to these breathtaking vistas.

Experience the tranquil beauty of Monument Valley, where red sandstone formations rise majestically from the desert floor. See the ethereal colors of the Antelope Canyon, formed by centuries of swirling winds creating mesmerizing patterns on its walls. Traverse the picturesque landscapes of Sedona, where red rock formations contrast against the clear blue skies, creating a visual feast that cannot be missed.

Discover lesser-known hidden gems, such as the magical Havasu Falls, nestled within the Havasupai Indian Reservation. Witness the striking contrast as turquoise waters cascade among vivid red rocks, creating a picturesque scene that seems almost surreal.

A Window into Arizona's Rich Cultural Heritage

Beyond its stunning landscapes, Arizona's cultural heritage comes to life in the Photographic Collection Arizona Pre 2019. Step into a time capsule and witness the rich tapestry of Native American tribes that have inhabited the region for centuries.

Experience the colorful Powwows that celebrate the vibrant traditions of various tribes, their intricately woven clothing, mesmerizing dances, and enchanting rituals. Marvel at the intricate pottery and captivating jewelry crafted by the skilled

Navajo and Hopi artisans, showcasing their meticulous craftsmanship and timeless artistry.

Explore thriving communities like Tucson and Phoenix, with their vibrant street markets, delicious culinary traditions, and diverse festivals. Immerse yourself in the lively atmosphere as locals celebrate their heritage and share their stories, adding depth and meaning to the photographic collection.

Preserving Arizona's Forgotten History

The Photographic Collection Arizona Pre 2019 goes beyond the landscapes and cultural events, delving into the lesser-known chapters of Arizona's history that have shaped the state as we know it today.

Gain insights into the lives of pioneers and early settlers, witness their hardships and successes as they built homes, established communities, and braved the challenges of the untamed wilderness. Discover iconic historic landmarks, from the architectural wonders of the Mission San Xavier del Bac to the preserved mining towns that once thrived during the Gold Rush era.

Learn about the tumultuous times that Arizona faced, including the growth of the copper mining industry, the impact of World War II on the state's economy, and the transformation of cities like Phoenix into modern metropolises.

The Allure of Arizona Pre 2019

Arizona Pre 2019 holds a charm that is both nostalgic and captivating. It transports us to a time when the world looked different, yet the human spirit remained resilient. Through the Photographic Collection Arizona Pre 2019, we can relive these moments, immerse ourselves in the fascinating stories of the

past, and appreciate the remarkable transformations that our world has undergone.

Whether you're an avid history buff, a nature lover, or simply curious about the hidden stories of a bygone era, this photographic collection is a must-see. Prepare to be transported on an unforgettable journey through the enchanting landscapes, vibrant cultures, and forgotten histories of Arizona.

Wildlife: A Photographic Collection - Arizona Pre 2019: A Photographic Collection (Wildlife: Arizona)

This original photographic collection includes wildlife photographs taken by August Farrow prior to 2019.

This Volume includes:

- Papago Park - Phoenix, Arizona
- Meteor Crater - Winslow, Arizona
- Grand Canyon South Rim - Arizona
- Grand Canyon North Rim - North Rim, Arizona
- Saguaro National Park: District 1 - Tucson, Arizona
- Phoenix, Arizona

This is not a book to showcase my photography. It's a photo collection highlighting the wildlife that was actually seen at this location during this period. It's not what could potentially exist there but wildlife that was actually there, seen and photographed by this visitor.

This title includes full color images. For the best experience possible, view this title in color on your color-enabled Kindle device OR download the free Kindle app to view this title on your smart phone, tablet, laptop, netbook or computer!

In this book, I will give you the exact same experience I have had – that of walking through nature and stumbling across a variety of flora and fauna without labels or descriptions.

Rather than a reference book, this is more of a photographic catalog of my observations during the time I spent there that year. Though that isn't a lot of time, I have a special knack for stumbling across an astonishing amount of wildlife - for being in just the right place at just the right time (at least when it comes to nature). I hope this book will encourage you too to go out and explore the natural world.

Please note: All insects, spiders and other animals depicted are wild or feral.

I photograph things as they are - sometimes under horrible weather conditions such as fog, rain, etc. and I do not use any special equipment. The conditions are what they are at the time.

These images have not been photoshopped or otherwise manipulated in order to depict anything other than what I actually saw in that location at that time. If you

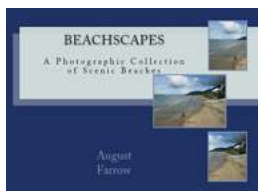

see more than one animal in a shot, more than one animal was present at the time and fit into the frame I was shooting. It also takes FOUR programs to create these landscape-oriented books and thus the photograph quality gets degraded each time the photo is run through a new program. Still, I prefer this format so it is what it is.

Lastly, I also have a very strict non-interference policy. I do not bait, harass, touch, trap, corner or otherwise impede or restrict wildlife.

Due to limitations in the number of photographs that can successfully be built into a file using this format, different locations may have more than 1 book.

To find specific, additional titles, simply type in August Farrow and a keyword such as a subject (Insects) and/or place (such as Houston) in the search box of the retailer's page. For example: "August Farrow Birds" or "August Farrow Texas" or "August Farrow Insects Texas" or "August Farrow Wildlife Memorial Park".

To receive email notification of when a new title is released, click the yellow "Follow Author" button under the SeaMonkey Ink avatar on the Amazon Author Page. To find the page, simply click on "August Farrow" on any search result or product page.
