Artistry Meets Subversion

With Herrera as our guide, we embark on a journey through the art scene's most turbulent and influential period. From the eccentric Warhol Factory to the underground galleries of SoHo, Herrera introduces us to a host of extraordinary artists: pioneers who challenged the status quo and redefined the boundaries of

creativity. Through her evocative words, their vision and artistic brilliance come alive.

Discovering the Rebel Spirits

Herrera's memoir is an intimate exploration of the rebel hearts that shaped Upper Bohemia. We encounter the enigmatic Andy Warhol, with his avant-garde approach to art and unparalleled ability to blur the line between high and pop culture. The fierce feminist voice of Judy Chicago resonates through her groundbreaking artworks, challenging gender norms and sparking vital conversations. The provocative performances of the legendary Yoko Ono invite us to question societal conventions and embrace our own uniqueness.

An Intriguing Chronicle of Bohemian Life

Upper Bohemia Memoir captures the essence of a time when artists fiercely lived life on their own terms. Herrera immerses us in the flamboyant parties, the raucous music scene, and the passionate love affairs that made Upper Bohemia pulsate with raw energy. From the iconic Chelsea Hotel and its extraordinary residents to the smoke-filled jazz clubs that echoed with the sounds of rebellion, every page is filled with tales that make your heart beat faster.

A Deep Dive into the Artistic Process

Herrera's memoir is not merely a recounting of events; it's an exploration of the creative process itself. Throughout the book, we encounter the struggles, triumphs, and inspirations that shaped some of the era's most iconic artworks. We witness the birth of iconic masterpieces, from abstract expressionism to avant-garde installations, and gain a deeper understanding of the artistic minds behind them.

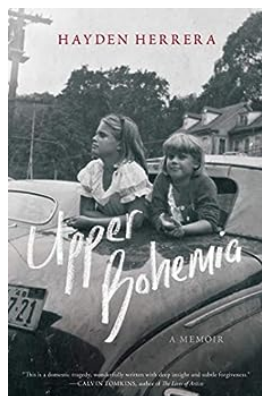

Upper Bohemia - A Revolutionary Legacy

Upper Bohemia Memoir leaves an indelible mark as it captures a moment in history when art became a powerful force for societal change. Through Herrera's extraordinary storytelling, we are transported to a world where rebellion and creativity intersected, giving birth to a cultural revolution that continues to inspire artists and thinkers today.

Embark on the Upper Bohemia Adventure

As we conclude our exploration of Hayden Herrera's Upper Bohemia Memoir, we invite you to immerse yourself in this remarkable tale of art and rebellion. Let Herrera guide you through the hallowed halls of creativity, where artists defied conventions and left an indelible mark on the art world. Get ready for a mesmerizing journey filled with extraordinary characters, iconic artworks, and the pulsating energy of an era that forever changed the course of art history.

Are you ready to embark on the Upper Bohemia adventure? Grab a copy of Hayden Herrera's memoir today and prepare to be captivated by a world where art and rebellion intertwine like never before.

A New Yorker Best Book of 2021

A “touching, heartbreaking, and exceptional” (Town & Country) coming-of-age memoir by the daughter of artistic, bohemian parents—set against a backdrop of 1950s New York, Cape Cod, and Mexico.

Hayden Herrera’s parents each married five times; following their desires was more important to them than looking after their children. When Herrera was only three years old, her parents separated, and she and her sister moved from Cape Cod to New York City to live with their mother and their new hard-drinking stepfather. They saw their father only during the summers on the Cape, when they and the other neighborhood children would be left to their own devices by parents who were busy painting, writing, or composing music. These adults inhabited a world that Herrera’s mother called “upper bohemia,” a milieu of people born to privilege who chose to focus on the life of the mind. Her parents’ friends included such literary and artistic heavyweights as artist Max Ernst, writers Edmund Wilson and Mary McCarthy, architect Marcel Breuer, and collector Peggy Guggenheim.

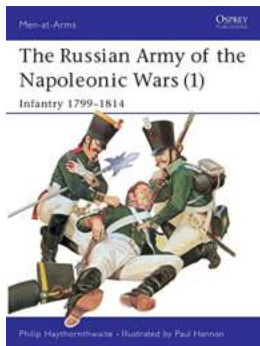

On the surface, Herrera’s childhood was idyllic and surreal. But underneath, the pain of being a parent’s afterthought was acute. Upper Bohemia captures the tension between a child’s excitement at every new thing and her sadness at losing the comfort of a reliable family. For her parents, both painters, the thing that mattered most was beauty—and so her childhood was expanded by art and by a reverence for nature. But her early years were also marred by abuse and by absent, irresponsible adults. As a result, Herrera would move from place to place, parent to parent, relative to family friend, and school to school—eventually following her mother to Mexico. The stepparents and stepsiblings kept changing too.

Intimate and honest, Upper Bohemia “captures an enchanted but erratic childhood in a rarefied milieu with the critical but appreciative eye of a seasoned art historian” (The Wall Street Journal). It is a celebration of a wild and pleasure-filled way of living—and a poignant reminder of the toll such narcissism takes on the children raised in its grip.
