# Homemade Organic Sunscreen

## **25 Easy and Natural DIY Sunscreen Recipes for Summer 2016**

Have you ever thought about how fragile your skin can be? Using chemical sunscreen products can be scary.

According to a report given by expert dermatologists, exposure to these chemical substances can cause changes on the skin for the worse! Most of the “healthy” chemical sunscreens that are sold to us often contain nanoparticles associated with increased rate of skin aging, environmental toxicity as well as rampant cases of skin cancers. This is because most of them are composed of masked with Omega-6 rich oils that often interfere with the healthy fat balance in the body thus resisting oxidation.
