

Get Inspired! Discover 90 Different Sizes of North Facing 2BHK House Plans Available Inside

Are you considering building your dream home? Have you been struggling to find the perfect layout for your 2BHK house? Look no further! We have a vast collection of 90 different sizes of North facing 2BHK house plans available for you to explore.

Why North Facing?

North facing homes have always been favored by homebuyers and builders due to their numerous benefits. A North facing house ensures ample natural light throughout the day, providing a bright and airy atmosphere. It also optimizes the utilization of solar energy, reducing the need for artificial lighting during daylight hours.

North Facing 2 BHK House Plans As Per Vastu Shastra: (90+ Different Sizes of North Facing 2BHK House Plans Available Inside)

Furthermore, a North facing house can offer better ventilation, as prevailing winds often blow from the North. This creates a comfortable living environment and improves air circulation within the house. Additionally, North facing homes are preferred in many cultures as they align with traditional beliefs and Vastu Shastra principles.

The Ultimate Collection of 2BHK House Plans

Our extensive collection of North facing 2BHK house plans offers a wide range of sizes to suit your specific requirements. Whether you are building a small and cozy 2BHK home or a spacious one, we have the perfect floor plan for you.

Each plan is meticulously crafted by experienced architects and designers, ensuring that no detail is overlooked. From functional layouts to attractive designs, our collection covers a variety of styles and preferences.

Exploring the Sizes

Let's dive into the 90 different sizes of North facing 2BHK house plans that are waiting to inspire you! Remember, finding the right size is crucial to ensure that every square foot of your home is utilized effectively.

1. 600 Sq. Ft.

Starting with a compact option, the 600 sq. ft. North facing 2BHK house plan offers a comfortable space for small families or individuals looking to downsize. It includes two bedrooms, a living room, a kitchen, and a bathroom. The layout is designed to maximize space efficiency.

2. 800 Sq. Ft.

If you desire a slightly larger home, the 800 sq. ft. layout might be perfect for you. With two bedrooms, a spacious living area, a kitchen, and a bathroom, this plan

provides ample space for a growing family while still maintaining a cozy atmosphere.

3. 1000 Sq. Ft.

For those in need of more space, the 1000 sq. ft. North facing 2BHK house plan is an excellent choice. With well-proportioned rooms, including two bedrooms, a living room, a kitchen, a dining area, and two bathrooms, this layout offers functionality and comfort.

These are just a few examples from our diverse collection. Each size has its own unique features and benefits. Whether you prefer open layouts, separate kitchen areas, or additional storage spaces, we have a plan that meets your requirements.

Finding Your Dream Home

Now that you have discovered our vast collection of North facing 2BHK house plans, it's time to find your dream home! Take your time to explore each size and consider your lifestyle, preferences, and future needs. Selecting the right layout is an essential step towards building a happy and harmonious living space.
