It was the series that presented a beloved radio hero in living color on the small screen – and at the same time introduced a martial arts legend-in-the-making, Bruce Lee. secretly posing as a criminal to bring down the most notorious gangsters, racketeers and wrongdoers.

The ABC series lasted only one TV season, 1966-67, but a wealth of information still exists on it. Now, in this guide released just as the show turns 50, BRBTV chronicles it all, from the planning of the series in the mid-'60s, as shepherded by character co-creator George W. Trendle and executive producer William Dozier, through each and every episode, to the fandom beyond. Author and journalist Billie Rae Bates talked with series star Van Williams and other members of the cast and crew, as well as writers and other industry professionals who have been involved with the show's lore over the decades.
