As you embark on your exploration of Wave Hill, prepare to be transported into a realm where colorful flora, meticulously crafted landscapes, and thoughtfully designed art installations fuse together. Each garden section offers a unique experience, creating an ethereal atmosphere that enchants and inspires visitors of all ages.

### The Shade Border Garden

One of the first gardens you will encounter is the Shade Border Garden, which derives its name from the abundance of beautiful shade-tolerant plants. As you stroll along the garden's meandering paths, a sense of tranquility washes over you, accompanied by the harmonious symphony of delicate flowers swaying in the gentle breeze. A feast for the senses, this garden showcases a diverse range of textures, colors, and scents, creating an enchanting display that changes with the seasons.

## **The Wild Garden**

If you crave a more adventurous experience, head towards the Wild Garden. As its name suggests, this section exudes a naturalistic charm, with its untamed beauty and carefully preserved native plants. Meander through the vibrant meadows and explore the diverse array of plant species that have found a home amidst this captivating landscape. The Wild Garden offers a glimpse into untouched natural habitats, reminding us of the inherent beauty and resilience of the wilderness.

## Perennial Gardens

For those seeking a tranquil retreat, the Perennial Gardens are a haven of serenity. This garden beckons visitors with its gentle paths, manicured lawns, and an exquisite collection of both native and exotic perennials. Marvel at the delicate blossoms, enjoy the sweet fragrances, and lose yourself in the peaceful ambiance that permeates this enchanting corner of Wave Hill.

### **The Flower Garden**

No visit to Wave Hill would be complete without exploring the magnificent Flower Garden. Bursting with vibrant colors and intricate floral tapestries, this section is a testament to the artistic vision of its creators. Immerse yourself in a captivating

sensory experience as you appreciate the carefully planned combinations of flowers, paying homage to the ever-changing beauty of nature.

## The Tropical House

Stepping into the Tropical House at Wave Hill is like entering a lavish oasis. Be prepared to be transported to a world where exotic plants thrive and opulent greenery reigns supreme. Wander through the steamy pathways lined with vibrant foliage, listen to the soothing sounds of trickling water, and marvel at the diverse botanical wonders that make this place a true paradise for plant enthusiasts.

A visit to Wave Hill's Gardens is a journey that merges art, nature, and tranquility into an unforgettable experience. With its meticulously maintained gardens, awe-inspiring views, and harmonious design, this beloved haven offers a respite from the bustling city life, allowing visitors to reconnect with nature's beauty and find inspiration in the artistic marvels created by its landscape architects.

So, if you are ready to escape from the ordinary and be captivated by the magical combination of nature and art, pack your curiosity and head to Wave Hill. You'll leave not only with a renewed sense of wonder but also with a deeper appreciation for the timeless beauty that lies in the fusion of these two extraordinary worlds.

“Like Wave Hill itself, these pages make an indelible impression—wildly intimate, possibility-laden, provocative—leaving me wide awake and hungry for a visit.” —

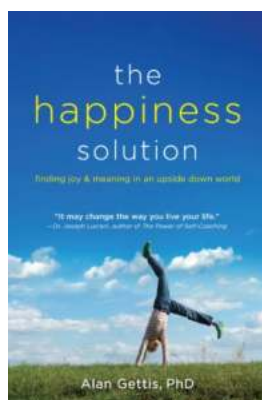

Margaret Roach, author of *A Way to Garden*

Wave Hill, a world-renowned public garden in the Bronx, boasts a classic horticultural craftsmanship unrivaled among other public gardens in the United States. But it also embraces a design spirit that is daring and innovative. Every year brings changes to Wave Hill: new combinations of colors, textures, and forms, along with creative themes and constant experimentation. *Nature into Art* brings this splendid, sensory experience home by honoring the unsurpassed beauty of Wave Hill. It explores the different areas of the garden—the flower garden, the shade border, the wild garden, the conservatory, and more—and gives gardeners helpful information on the plants, techniques, and design choices that define this iconic space. Filled with stunning, ethereal photography by Ngoc Minh Ngo, *Nature into Art* will enchant and inspire you to practice the Wave Hill way of gardening.
