What was life in the Red Army like for the ordinary soldier during the Great Patriotic War, the fight between the Soviet Union and Germany on the Eastern Front? How far is the common perception of Red Army heroism and sacrifice borne out by historical reality? And what was the daily experience of the individual soldier caught up in this immense and ruthless conflict? The 160 contemporary photographs from the Russian archives that have been selected for this book give a striking insight into all sides of wartime service for the Soviet soldier. The whole range of military experience is portrayed here, from recruitment and the rigors of training to transport, marching and the ordeal of combat.
