One of the most unsettling aspects of the Deep State is their involvement in satanic rituals. These rituals are not mere symbolism; they involve disturbing acts that defy comprehension. The Deep State believes that engaging in these rituals grants them power, protection, and control over the masses.

But what is the connection between satanism and sodomy? It is said that the act of sodomy is a gateway to otherworldly forces. By partaking in this abomination, the Deep State seeks to open a portal to dark dimensions and receive guidance from demonic entities who wish to oppress humanity.

Some might dismiss these claims as outrageous conspiracy theories, but the evidence is far too compelling to ignore. Whistleblowers from within the Deep State have come forward, shedding light on the rituals and practices that take place behind closed doors.

This final chapter expressly devoted to unveiling the British nation as the planet's pedophilia epicenter will expose the puppet masters themselves that control all the pedo-puppet components to their obscene Luciferian operation, demonstrating how through hijacking humanity for over a millennium, they've been bleeding us dry through their cannibalistic satanic practice of ritual blood sacrifice, torture and systematic child sexual abuse of our most defenseless and vulnerable population. This chapter will show how Britain's so called royal family imposters and their black nobility Zionist-Illuminati bloodlines have been the earth's underlying powerbrokers behind all war, genocide, the world economic system of human enslavement, and their globally organized pedophilia trafficking network predatorily feeding off of, sacrificing and destroying our children and how this growing cancerous scourge on humanity must be excised off the face of this earth sooner than later.

This and the next chapter will not mince words tracing the demon seed planted on this earth nearly a half million millennia ago as graphic, over-the-top, hardwired evidence of how this same diabolical, nonhuman, genetically engineered, off-planet hybrid lineage still tragically controls to keep our battered and bruised, and always divided human family dying on our toxically scorched, ecocided earth to this present day. Profound changes are already in process, resisting and opposing the New World Order's Luciferian control agenda. But our most potent weapon in this epic good vs. evil war of the ages is what the dark forces fear the most - exposure and spread of the truth to slay the dragon of enslavement and death.

Virtually all previous Chapters 18-32 exposing Britain as the world's epicenter graphically illustrate the most flagrant cases of pedophilia, invariably touching on the royal family's active hand, including unindicted criminal violations exposing both direct and indirect involvement in every one of UK's major child abuse scandals. Therefore, a presentation of an encapsulated summary of royal pedophilia will suffice. Once exposure of royal rapists is covered, the next Chapter 34 will trace the royal family's ET roots in order to explain how humans and their history have both been completely hijacked, owned and controlled over eons of time by the same handful of evil controllers still pulling the puppet strings plundering the earth today. The global establishment can't handle the truth because it knows that a tipping point of public mass awareness is fast approaching, unveiling the mountain of crimes committed against humanity through the ages by the same genocidal perpetrators subversively entrenched as our planetary overlords and slavemasters, personified and held together by the British Crown's unjustified, archaic feudalistic monarchy.
