Sins of the Mother by Maria Eftimiades

On October 25, 1994, a hysterical Susan Smith told police a tale that would strike terror in the hearts of mothers everywhere: An unidentified gunman had sped off with her two little boys, leaving her screaming on the side of the road.

For more than a week, the people in the tiny town of Union, South Carolina, rallied around the young mother. They combed the woods and neighborhood parks for the missing children and prayed for their safe return, while FBI teams launched a massive manhunt.

No one ever suspected that the pretty 23-year-old who tearfully pleaded for her children in front of millions of TV viewers could be capable of such a heartless act...until she led police to the watery graves of her young sons. Now, as a shaken community confronts its outrage and sorrow, a stunned nation asks how is could have happened.
