Teachers have such a profound impact on our lives and our future. Teachers help us to recognize our potential, discover our passions and to follow our dreams. A compassionate and inspiring teacher is often the catalyst that propels a child to truly realize and explore his/her own personal talents, abilities, and greatness.

This book is designed to let a special teacher know that you recognize just how impactful his/her role is in student development. This is a perfect way for parents of students in Preschool and K-8 to thank a special teacher. This is also suitable for High School and College students to use as a Thank You note to a beloved teacher any time of year.

Parents who home school and take on the enormous and loving task of double duty should also be recognized. This is a sweet way for one parent to help his/her children to acknowledge and thank the teaching parent for being not only an amazing parent but also an amazing and appreciated teacher.
