Hair Oils are a seriously good 'all-in-one' hair care solution if you have any of the following common hair problems;

Are you loosing hair due to an illness or are you going bald?

Are you going grey prematurely?

Are you tired of the frizz or does your hair always seem to be having a 'bad day'?

Does it need some intensive conditioning or a good old dose of loving re-hydration?

Has it lost its healthy bounce and sheen?

Are you recovering from a serious illness which has affected your hair and it's health?

Do you have dry, brittle, weakened or damaged hair?

Do you suffer from dandruff, psoriasis or dry scaly scalp?

Or do you just want your hair to grow longer and more quickly?

Name just about any hair care problem and there will be an oil that will be able to help you overcome that problem and do it effectively, afford ably, naturally and quickly.

This is not hype, hair oils are making a come back in western countries and for a very good reason. They are used globally by countless people who have known of their effectiveness for centuries and in some cases longer.

Forget about those expensive hair care products that promise much but deliver far less.

Hair oils offer a wide range of benefits.

Besides that, they work and are safe, chemical free, usually cheap and easy to get.

The Handbook of Hair Oils is set up to give you all the information you will need to find the oil that is just right for your hair care needs.

If you always thought that oils make your hair greasy and heavy, here you will discover which oils absorb straight into the hair follicle without leaving any residue whatsoever while delivering a full load of nutrients and other benefits to your hair.

Aside from this hair oils are packed with essential fatty acids which our bodies cannot produce. They contain many nutrients and anti-oxidants. They also have anti-microbial, anti-fungal and anti-bacterial properties to name just a few of their benefits.

Its little wonder we are regaining our interest in the ancient art of oiling the hair!

The information available in this book can completely change the way that you care for your hair and with fabulous results.
