The 3rd revised edition of the CURTAIN SKETCHBOOK is a comprehensive collection of quintessentially English designs for curtains/drapes. There are many new designs and an informative measuring section with sketches of various shapes of windows.

The black line drawings are purposely kept simple so that the lines of the design can be seen clearly and for that reason also they are not coloured - colour can be added at a later stage.

Decorators and curtain makers find Wendy's book an important tool for their work especially when trying to explain certain window treatments to their clients. The sketches can be reduced to put on a sample board together with the chosen fabrics for the room scheme.

The CURTAIN SKETCHBOOK, along with Wendy Baker's other 5 books, is used in many interior design colleges and degree courses in the UK and widely in America. The inspirational ideas take into account all kinds of window shapes including those difficult ones, eliminating costly mistakes.

- 3rd revised edition with many new curtain designs in line with the latest trends
- easy to follow measuring guide
- Window shapes with suggested curtain treatment
- New designs for window blinds/shades plus cushions and other accessories.
