Rain tells the story of the Dream Walker Maya, an empathic clairvoyant who experiences history through the eyes of other Dream Walkers across time.

Under the guidance of ancestral Spirits, Maya strives to find her bearings as she is swept up in the thousand-year saga of the devastatingly insidious legacies of colonizing empires that continue to ravage her home. Braving uncharted waters, Maya discovers illuminating truths concealed behind the veil of History's public myths.

Her quest unites her across the centuries with ancestral Dream Walkers who will teach her to understand the power of her gifts, and Maya learns to fulfill her destiny as a visionary steward of both the Past and the Future in an ever-changing world.

A poetic meditation on History through the echoes of Oral Tradition, Rain recalls the song of storytellers born on the shores of the Great Lake Nam Lolwe at the eye of the Nile in the heart of East Africa.
