A real-life fairy tale: Michael Jackson and me is a memoir by Irish fan Talitha Linehan, in which she describes seeing Michael perform at 17 HIStory concerts, meeting him at hotels and venues across Europe, the US, and Asia, spending a day with him at Neverland Valley, and becoming a daily presence around him during his final years. The book includes never-before-published photographs of Michael and Talitha, and messages he wrote to her, from her private collection.

“You're my fairy tale, Michael.” “Oooh,” said Michael, and he brushed my cheek with his hand, making me flutter. This was the moment, under a starry sky in Las Vegas, when Talitha Linehan told Michael Jackson how she'd viewed him since childhood, not just as a man but as a magical being.

It was a perception that never wavered, throughout hundreds of encounters she had with him over more than a decade, in public and in private, at venues and hotels across the world, inside his most famous home, Neverland Valley, and inside his final home, in Los Angeles.

In this deeply personal memoir, Talitha recalls a journey that began when she discovered Michael, while growing up in the Irish countryside, and that ended

when she last spoke to him, at a rehearsal studio in LA, on the last night of his life.

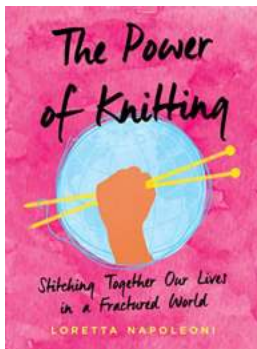

By drawing on diary entries, she reveals the joy and heartache of loving and losing the most famous star on the planet, and a man she simply loves with all of her heart.

Fans of the star will relate to the emotional heart of Talitha's journey and gain new insight into the man behind the megastar, and his life, in public and in private, during his final years.
