Understanding *Bartleby Co*: A Glimpse into Reality or Fiction?

Bartleby Co is not your typical novel. It is a hybrid of fiction and non-fiction, blurring the boundaries between reality and imagination. The protagonist, named Bartleby, is a character trapped in a world of books. Working at a mysterious publishing house called Bartleby & Co, he spends his days cataloging and describing books that have never been written. Each book described reveals a fragment of the author's desires, ambitions, and dreams that were never materialized.

Vila Matas' use of the character Bartleby as a symbol of the literary inertia that often afflicts writers is both ingenious and captivating. Just like the character from Herman Melville's classic tale, Bartleby in Vila Matas' novel prefers not to write, reflecting the complex emotions and struggles of writers who constantly battle with the blank page. Through Bartleby, Vila Matas explores the creative process and the eternal struggle of the writer against self-doubt and the fear of failure.

A marvelous novel by one of Spain's most important contemporary authors, in which a clerk in a Barcelona office takes us on a romping tour of world literature.

In *Bartleby & Co.*, an enormously enjoyable novel, Enrique Vila-Matas tackles the theme of silence in literature: the writers and non-writers who, like the scrivener Bartleby of the Herman Melville story, in answer to any question or demand, replies: "I would prefer not to." Addressing such "artists of refusal" as Robert Walser, Robert Musil, Arthur Rimbaud, Marcel Duchamp, Herman Melville, and J. D. Salinger, *Bartleby & Co.* could be described as a meditation: a walking tour through the annals of literature. Written as a series of footnotes (a non-work itself), *Bartleby* embarks on such questions as why do we write, why do we exist? The answer lies in the novel itself: told from the point of view of a hermetic hunchback who has no luck with women, and is himself unable to write, *Bartleby* is utterly engaging, a work of profound and philosophical beauty.
