The year kicked off with an unexpected political election, where the underdog emerged victorious against all odds. The bookmaker recalls the frenzy among bettors and how the unexpected outcome resulted in numerous hefty payouts.

A Series of Prominent Sporting Upsets

Sporting events have always lured both casual fans and avid gamblers alike. However, the year in question witnessed an extraordinary number of shocking upsets in various sports.

One of the most memorable incidents was the underdog team, with seemingly impossible odds, winning the championship. The bookmaker describes the atmosphere in the sportsbooks as pure chaos, with cheers and gasps echoing through the halls.

But that was not the only sports-related craziness witnessed during this history-defining year. The bookmaker reminisces about a record-breaking individual performance that left everyone in awe. It seemed like the athlete was defying the very laws of nature.

Extraordinary Scientific and Technological Advancements

In the midst of all the chaos, there were also remarkable scientific and technological breakthroughs that amazed the world. The bookmaker recalls the excitement surrounding the unveiling of a groundbreaking invention that promised to revolutionize an entire industry.

Skeptics initially dismissed the invention as mere science fiction. However, as the year progressed, it became evident that the invention was the real deal. Experts predicted its tremendous impact on various aspects of our lives.

The Unpredictable World of Entertainment

Entertainment always plays a significant role in society, shaping popular culture and capturing the imagination of millions. The Las Vegas bookmaker witnessed a whirlwind of unexpected developments in the entertainment world during this particular year.

From jaw-dropping movie releases to sensational music performances, the year seemed to be filled with one surprise after another. The bookmaker particularly remembers the heated debates surrounding an acclaimed movie that tackled controversial subjects.

Social and Cultural Revolution

In addition to the eventful world of sports, science, and entertainment, the bookmaker witnessed a profound social and cultural revolution. The boundaries were pushed, and society experienced a seismic shift in values and norms.

People across the globe were emboldened to raise their voices and demand change. It was a year of protests, rallies, and passionate debates. The bookmaker acknowledges the significant impact these social movements had on a global scale.

A Lasting Impact

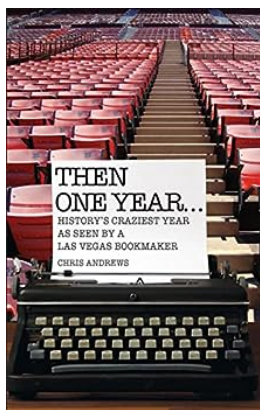

Reflecting on the events of this history-making year, the Las Vegas bookmaker marvels at the profound impact it had on society. The year may have been chaotic and unpredictable, but it helped shape the world we live in today.

The bookmaker believes that through all the craziness, lessons were learned, and new doors were opened. It was a year that redefined what was thought to be possible and reminded people of the resilience and adaptability of humanity.

Fresh off the success of his first book, *Then One Day ... 40 Years of Bookmaking in Nevada*, in January 2020, Chris Andrews started keeping a daily journal to record the roller-coaster ride bookmakers undergo in a typical year from one Super Bowl to the next. Little did he know that 2020 would be anything but typical. Less than two months later, the worst pandemic in more than 100 years turned the world upside down and the wide world of sports and sports betting inside out.

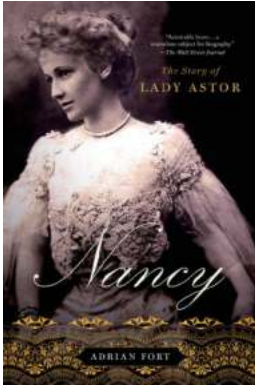

Then One Year ... History's Craziest Year as Seen by a Las Vegas Bookmaker follows Andrews as he navigates—day to day and often minute by minute—the uncharted waters of running the sports book at Las Vegas' South Point Hotel-Casino, maneuvering through the unprecedented and profound impact that COVID-19 had on both his personal and professional life.

In addition to further pulling back the curtain on the ways the industry's top bookmakers think and operate, *Then One Year* will also help sports fans and sports bettors remember the best parts, and process the worst, of the most memorable year in recent history.
