From the soaring eagle majestically gliding through the vast sky to the tiny hummingbird delicately sipping nectar from vibrant flowers, each poem unveils the wonders of the natural world. The writers masterfully explore the unique characteristics and behaviors of the animals, offering readers a glimpse into their lives.

But this collection is not just about showcasing the beauty of animals. It goes beyond the surface, delving into the deeper symbolism and metaphorical significance that these creatures hold in our lives. It is through these connections that the poets convey profound emotions and profound truths about our own existence.

## **The Intersection of Nature and Human Emotions**

As humans, we often find solace and inspiration in nature. The Kingdom Animalia American Poets Continuum 131 explores the deep connection between our own emotions and the natural world around us. Through these poems, we are reminded of the parallelisms between our experiences and those of the creatures we share this planet with.

Each poet crafted their words in such a way that the emotional landscape intertwines seamlessly with the natural landscape. The joy, pain, love, and longing we experience in life are echoed through the behavior of animals. The rhythm of the poetry mimics the ebb and flow of nature, creating a harmonious ode to the interconnectedness between our emotional and natural beings.

## **A Journey of Self-Reflection and Exploration**

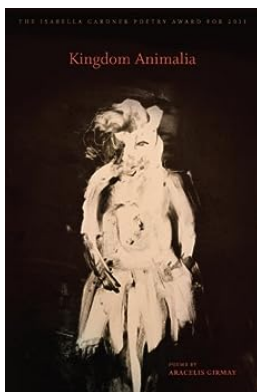

Reading the Kingdom Animalia American Poets Continuum 131 is an immersive experience. The poems act as portals, transporting readers to vast landscapes, deep forests, and tranquil shores. The collection serves as a catalyst for self-reflection and exploration, urging readers to reconsider their relationship with the world around them.

Through the lens of poetry, we are encouraged to take a step back from our daily lives and truly observe the marvels of nature. The delicate dance between predator and prey, the fleeting beauty of a butterfly, or the resilience of a tree

against the strongest winds suddenly become moments to be cherished and contemplated upon.

Moreover, as we connect with the emotions depicted in these poems, we gain a deeper understanding of our own selves. We start to recognize the importance of embracing our vulnerabilities, just as animals do in their natural habitats.

The Kingdom Animalia American Poets Continuum 131 is a remarkable collection that intertwines the worlds of nature and poetry. Through eloquent verses, these poets guide us on a journey of self-reflection, exploring the connections between the animal kingdom and our own emotional experiences. The collection serves as a reminder of the beauty, fragility, and resilience that exist within us and the natural world. So, embark on this captivating journey and allow yourself to be enthralled by the mesmerizing words that weave together the tapestry of life and poetry.

The poems in this highly anticipated second book are elegiac poems, as concerned with honoring our dead as they are with praising the living. Through

Aracelis Girmay's lens, everything is animal: the sea, a jukebox, the desert. In these poems, everything possesses a system of desire, hunger, a set of teeth, and language. These are poems about what is both difficult and beautiful about our time here on earth.

Aracelis Girmay's debut collection won the Great Lakes Colleges Association New Writers Award. A Cave Canem Fellow, she is on the faculty at Drew University and Hampshire College. She lives in Brooklyn, New York.
