Alzheimer's is a particularly cruel disease. It robs us of the people we love—slowly, subtly, but unrelentingly. Our love for them is tested as their needs increase and their recall decreases, and our own needs suffer neglect as more and more of our time and attention is given to our loved one. Cynthia Fantasia is a caregiver. In this deeply understanding and empowering work she walks you through the landscape of caregiving—for your loved one and for yourself. She introduces you to friends and fellow travelers who offer their own words of empathy and insight. And she slowly, subtly, but unrelentingly empowers you to live well as you care for your loved one in the lingering light.
