★★★★★ 5 out of 5

The BBC's stunning drama The Missing returned for its second series in 2016 with a vengeance that left viewers traumatised, broken and begging for more. Abducted as a child and imprisoned for 11 years, Alice Webster escapes and returns to her hometown of Eckhausen, Germany. An emotional reunion with her family follows. Yet there's something not quite right about Alice. It's like she came back different. When she reveals she was held with French girl Sophie Giroux it tempts Julien Baptiste out of retirement to fulfil a promise he made to Sophie's parents. The web of duplicity and depravity he uncovers takes a strong stomach to behold.

TV critic James Donaghy is your guide through the spectacular second series, reliving the action and analysing the fan theories. All the heartache, shock reveals and life-threatening tension is recapped and discussed for your reading pleasure.
