Everyone has dreams of what they want to accomplish in life. Marty Essen’s childhood dream of becoming a herpetologist gave way to his dream of becoming a popular DJ, which led to his dream of becoming a big-time talent manager, which morphed into the dream of becoming an in-demand author and college speaker. While he achieved most of his dreams at various levels, he also realized that he didn’t necessarily have to reach the top to find success or happiness. Sometimes “almost” is close enough.

Hits, Heathens, and Hippos: Stories from an Agent, Activist, and Adventurer is a humorous and inspirational memoir that explores relationships and careers and how seemingly minor events can lead to life-changing results. Compelling stories

have filled Marty's life, and he tells those stories in a conversational style that combines his talents as an award-winning author with his talents as the creator of a one-man stage show that he has performed at hundreds of colleges across the United States.

- ◆ Becoming the youngest disc jockey in Minnesota history, where he survived an on-air attack from a jealous DJ and learned that rock 'n' roll and country radio stations have vastly different groupies.
- ◆ Running multiple music talent agencies and becoming one of the top young talent managers in America.
- ◆ Telling the best lie ever to reel in and marry an amazing woman that the media would later dub as his "intrepid wife."
- ◆ Moving to Montana, where he founded one of the state's fastest growing independent telephone companies and an unusual baseball league with pro-prospects and out-of-control players.

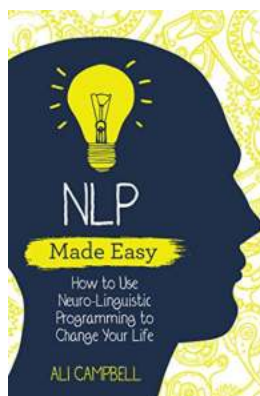

- ◆ Surviving as an outspoken liberal in the most conservative region of Montana and dealing with the death threats and dirty tricks that came with it.
- ◆ Heartwarming and humorous stories from his relationships with musicians, governors, senators, and a very special Democratic nominee for President of the United States.
- ◆ Traveling to all seven continents in search of rare and interesting wildlife, backpacking with a tribe known for headhunting, and surviving a vicious hippo attack.
