The third Volume of the UOTES Field guide to monsters. More Monsters, More art. Can your mind take anymore horror? Good, 'cuz here's some more!"Perverse. Upsetting. Oddly charming. No, I'm not describing Andrew Barr (or am I). I'm describing the creatures in his Unnatural Order Field Guide. I'm very happy to see my home province of Saskatchewan so well represented in these pages ("Bob" is a personal favorite) and sure, most of these monsters are the stuff of nightmares... but don't you also kind of want to give some of them a hug?" - Lowell Dean (Director of Wolfcop, Another Wolfcop, SuperGrid)"Andrew Barr's Creature field guides are of the utmost importance for both monster lovers and monster hunters. So much detailed info and pictures on creatures we all wish we knew more about. This book could save your life, I wish I had one at my last creature attack." - David Hartman (Director of Phantasm Ravager, Supervising Director of Transformers Primal, Horror Artist)" The unusual Mr. Barr knows strange and terrible things, and the only way to contain him is to read these twisted books." - Tim Seeley (HACK/SLASH, REVIVAL, MONEY SHOT)
