Three generations of women. Three generations worth of secrets. Will a cache of letters from beyond the grave hold the key to unravelling them all? The answer to that question lies at the heart of this addictive and atmospheric novel from the author of *The House of Brides*.

Growing up, the Anderson sisters could not have been more different. Susie, the wild one, had an adventurous life while Camilla— Mills—followed a safer path. When Susie suddenly dies, Mills falls apart. Until she receives a bundle of mysterious letters from her estranged sister to be read in the case of her death. Each letter instructs her to visit a place special to Susie, both to spread her ashes but also to uncover some truths Susie has long kept hidden from her family.

Their mother Margaret has secrets of her own. When living in Swinging Sixties London, she too made a decision about her life that not only haunts her, but will reverberate through the generations.

One family, three very different women. What choices and secrets connect them? In this novel of truth and lies, concealment and regret, Jane Cockram flips the

looking glass to expose our true face, revealing the deep lines of deception that can run through families and how the people we love the most often have the most to hide.
