Why Choose Tournament Bridge For Intermediate Players Fourth Edition 2020?

1. **Comprehensive Coverage:** This Fourth Edition provides an in-depth analysis of bidding, declarer play, and defense, covering all aspects necessary for mastering the game at an intermediate level. From basic tactics to more advanced strategies, you will find everything you need to enhance your bridge-playing ability.

2. **Practical Examples:** The book includes numerous real-life hands and scenarios, allowing you to apply the concepts you learn in a practical setting. By studying these examples, you will gain valuable insights into playing the right cards, making accurate bids, and developing winning strategies.

3. **Expert Guidance:** The authors of *Tournament Bridge For Intermediate Players* are highly skilled bridge players with decades of experience. Their expertise shines through as they guide you through the complexities of the game, offering valuable tips and advice to help you improve your decision-making and overall performance.

What's New in the Fourth Edition?

In the 2020 edition, the authors have incorporated new concepts and techniques that have emerged in recent years. The book covers the latest trends in competitive bidding systems, modern conventions, and cutting-edge approaches to declarer play and defense. By staying up-to-date with the ever-evolving landscape of bridge strategy, you can gain a competitive edge over your opponents.

Master the Art of Bidding

Bidding is a critical aspect of bridge, and this edition devotes a significant portion to this important topic. You will learn about modern bidding systems and conventions such as Two-over-One Game Force, Negative Doubles, and Lebensohl, among others. With each concept explained in detail and supported by practical examples, you will be equipped to make accurate and effective bids in the tournament setting.

Elevate Your Declarer Play

As an intermediate player, improving your declarer play is key to achieving success in bridge tournaments. The Fourth Edition provides a step-by-step guide to help you become a skilled declarer. From establishing winners to developing a plan, you will learn various strategies and techniques that will enable you to succeed at the table.

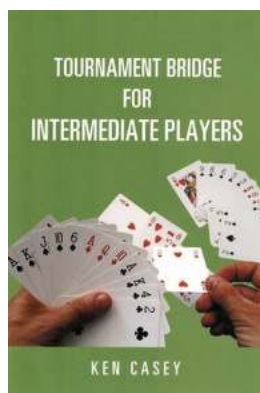

Master the Art of Defense

Defense is often considered the most challenging aspect of bridge. This edition unveils secrets and strategies used by expert defenders to optimize their chances of success. You will discover ways to read the opponents' cards, make accurate leads, and effectively communicate with your partner to outplay the declarer.

Achieve Tournament Success Today!

Tournament Bridge For Intermediate Players Fourth Edition 2020 is your passport to becoming a formidable bridge player. By mastering the techniques and strategies revealed in this book, you can improve your game, win more matches, and elevate your overall performance in competitive bridge tournaments.

So, why wait? Grab your copy of Tournament Bridge For Intermediate Players Fourth Edition 2020 now and embark on a journey towards bridge mastery. Unlock the secrets of the game, gain a competitive edge, and achieve the success you deserve!

This book is designed to give a comprehensive and systematic view of the types of hands an intermediate player might expect to encounter in a tournament. The various categories of hands presented will teach you when to use the dummy reversal, when to spurn a finesse, when to duck a trick, when to do the avoidance play and how to handle a defender's singleton. The book will also teach you how to discard, how to unblock, how to deceive and how to handle transportation problems.
