

Unlock the Secrets of 2BHK House Plans As Per Vastu Shastra for Harmonious Living!

EAST FACING HOUSE

AREA = 936 SQFT

Vastu Shastra, an ancient Indian architectural science, encompasses guidelines and principles for the construction of spaces that promote harmony and well-being. When it comes to designing 2BHK house plans, incorporating Vastu

principles can enhance the overall energy flow, create a sense of balance, and foster a peaceful living environment.

The Significance of Vastu Shastra

Vastu Shastra not only focuses on the aesthetic appeal of a home but also considers the impact of the layout on the occupants' physical and mental well-being. It emphasizes the alignment of various elements with the forces of nature, enabling positive energy to flow seamlessly throughout the house.

The Perfect 2BHK House Plan

When diving into the world of 2BHK house plans as per Vastu Shastra, it is essential to understand the key elements that contribute to a harmonious living space.

1. Main Entrance Placement and Orientation

The main entrance is considered the gateway for energy to enter the house. Locating it in the right direction ensures an auspicious flow of positive energy

throughout the property. As per Vastu Shastra, the entrance should face east or north for maximum benefits.

2. Bedroom Placement and Design

Bedrooms are spaces where we seek rest and rejuvenation. As Vastu Shastra focuses on the balance of energies, it suggests placing the master bedroom in the southwest direction, ensuring a peaceful and undisturbed sleep. The children's bedroom should ideally be in the northwest or west direction, promoting their growth and overall well-being.

3. Kitchen Layout and Position

Vastu Shastra provides guidelines for an ideal kitchen layout. Placing the kitchen in the southeast corner of the house and ensuring that the cook faces east while cooking helps maintain a positive atmosphere and contributes to good health and prosperity.

4. Living Area Arrangement

As the central gathering space of the house, the living area should be designed to promote positive social interactions. Placing it in the northeast or north direction encourages harmonious relationships within the family.

5. Bathroom and Toilet Placement

According to Vastu Shastra, bathrooms and toilets should ideally be located in the northwest or west direction of the house. The placement ensures proper elimination of waste and prevents the negative energy from affecting other areas of the house.

Incorporating Vastu Shastra principles in the design and layout of 2BHK house plans can greatly influence the overall energy and ambiance of a living space. By

following the guidelines for placement and orientation of various functional areas, you can create a harmonious environment that promotes physical and mental well-being. Unlock the secrets of Vastu Shastra and transform your 2BHK house into a sanctuary of positivity and prosperity.
