A Primer for Teaching Ancient Biblical Greek

Learning a dead language may seem daunting, but fear not! Our comprehensive primer will guide you step by step through the process of mastering Ancient Biblical Greek. From the most basic elements to more complex grammar and vocabulary, we have designed this course to suit learners of all levels.

1. Understanding the Alphabet

Just like any language, Ancient Biblical Greek has its own alphabet. In our primer, we will introduce you to the letters and their phonetic sounds. We will also provide mnemonic devices to help you memorize them quickly and easily.

2. Mastering Pronunciation

Pronunciation is key when it comes to interpreting Ancient Biblical Greek texts. Our course will teach you the correct pronunciation of each letter and guide you through the intricacies of syllable stress and accentuation.

Ways to Improve Pronunciation in Greek

Διάβασε δυνατά, για να εξασκηθείς στην προφορά.
Diávase dinatá, ya na exaskithís stin proforá.  Read out loud to practice pronunciation.

Τραγούδησε τα αγαπημένα σου τραγούδια στη γλώσσα που μελετάς.
 Tragúdise ta agapiména su tragúdia sti glósa pu meletás. Sing along to your favorite songs in the language you're studying.

Επανάλαβε atάκες από τηλεοπτικές εκπομπές, για να εξασκηθείς!
Epanélave atákes apó tileoptikés ekpombés, ya na exaskithís!  Repeat lines from TV shows to practice!

Κάνε πρόοδο με μικρά βήματα με το να εξασκείσαι τακτικά.
Káne próodo me mikrá vímata me to na exaskíse taktiká. Progress in small steps by practicing regularly.

Before we can learn a language, we must master its alphabet. Yet many Greek grammars spend little time teaching the symbols and sounds of the Greek alphabet. Failure to master the basics of a language -- its spelling and phonics rules -- will cripple our progress in mastering the whole language. This new edition of A Greek Alphabetarion has been thoroughly revised and reformatted to make it easier for parents to teach their children, and for older students to learn

by themselves. A syllabary (practice blending consonants and vowels) and a chrestomathy (practice reading sample passages) have been added in this new edition. A Greek Alphabetarion teaches the Greek alphabet in alphabetical order, letter by letter, using a rhythmic cadence to aid the student's memorization. Then, it teaches the alphabet in phonetic order, classifying each letter by its sound. A Greek Alphabetarion helps the student step-by-step to master reading Greek before moving on to study Greek grammar. Suitable for all ages, child through adult, in homeschools, private schools, colleges, and seminaries. Pronunciation CD included. Designed to be accompanied by A Greek Hupogrammon: A Beginner's Copybook for the Greek Alphabet with Pronunciations by Harvey Bluedorn.
