Unveiling the Divine Blueprint

One of the critical aspects of understanding divine placement is recognizing the presence of a divine blueprint guiding our lives. Bernadette Purcell explains that before entering this physical reality, our souls enter into agreements with other souls to embark on mutual journeys of growth and transformation. These agreements are part of the divine blueprint, outlining the connections and intersections we will encounter along our earthly path.

These soul agreements can manifest in various forms, from profound romantic relationships to brief encounters with strangers. Each connection carries unique lessons and opportunities for spiritual expansion. The key lies in our ability to recognize the significance of these encounters and extract the wisdom they offer.

The Gift of Self-Reflection

Understanding divine placement requires a mindset of deep self-reflection and a willingness to acknowledge our role in the grand tapestry of life. Bernadette Purcell emphasizes the importance of looking within to discern patterns and synchronicities, as they often hold profound messages from the divine.

Through meditation, journaling, and other spiritual practices, we can begin to untangle the intricate web of connections and gain a deeper understanding of our soul's purpose. This self-reflection not only fosters personal growth but also enhances our ability to navigate life's challenges with grace and wisdom.

Bernadette Purcell encourages her students to approach each interaction, no matter how mundane, with an open heart and mind. By doing so, we invite the divine into our lives, allowing it to shape our experiences and guide us towards our highest potential.

Millions of people are struggling because they have missed their divine placement by God for their original destiny (which is their vision). When someone wonders from the place God has positioned him/her for greatness, one begins endless or unending struggles after which such a person amounts to nothing in life. It is the end of one life that determines the roads and steps such a person takes. If one takes a wrong route and steps which is ambitious by nature, it will show and if one takes the right road and steps, it will show as well.

Locating ones divines placement is not an easy task because ones golden destiny is hidden under the thorn. So a lot of personal sacrifices that one pays to complement the sacrifice that Christ had already paid for us bring up ones golden destiny. So one cannot enter ones golden destiny without first locating his/her divine placement or original positioning by God to take off. And until there is original positioning b God; struggles will never cease. NOTE: One thing is to struggle and another thing is to struggle with focus and purpose. A lot of people are struggling with focus but without purpose and that is why LATE DR. MYLE MUROE said “If a man does not have purpose for living; abuse is inevitable” also

note that everything one gets by struggling without purpose is cursed because by strength shall no man prevail. One can only prevail by grace which is unmerited favor from God. It is only in one's divine placement that one can enjoy the grace of God which is divine enablement to bring down from supernatural to physical manifestation things that have not existed which will bless humanity and speak at the end.

Note: it is only what one receives from God that is blessed; everything gotten by struggle is under influence of curse. So this book "Understanding Your Divine placement" is a guideline in locating ones divine placement for the golden destiny God has created one to execute. When your location is wrong, then your destiny is on the road to waste land. When the "where" (Location) of your journey is outside the will of God, then the "what" (Result) of your final product will be disgrace. Be blessed as you read this book. Blessing means to be rightly positioned with God spiritually. It is not to have gold and silver i.e. material things. It is only when you are rightly positioned with God spiritually that you can fulfill your purpose on planet earth, now when a purpose is in line with divinity alteration is impossible i.e. it defiles every power because God is in charge:

Deuteronomy 8:11-20

(11) "Be careful not to forget Jehovah
Your God by failing to keep His
Commandments, his judicial decisions,
And his statutes that I am commanding
You today.

(12) When you eat and are satisfied and you
Build fine houses and dwell in them,

(13) when your herd and your flocks
Multiply and your silver and gold
Increase and you have abundance of
Everything

(14)do not let your heart become proud

And cause you to forget Jehovah

your God, who brought you out of

land Egypt, out of house of slavery

(15)who caused you to walk through

the great and fearsome wilderness, with poisonous serpents and scorpions and with parched ground that has no water.

He mad water flow out of flinty rock

(16)and fed you with manna in the

Wilderness, which your father had not

Known, in order to humble you and to

Put you to the test so as to benefit you

In the future.

(17)If you should say in your heart,

‘ my Own power and the strength

of my own hand have produced

this wealth for me

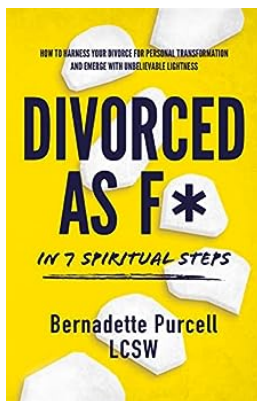

(18)remember that it is Jehovah your

God who gives power to you to make

Wealth, in order to carry out His

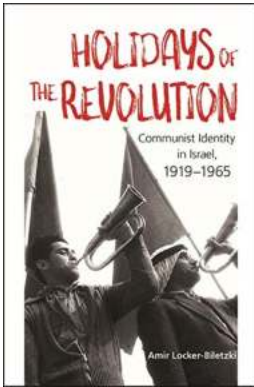

Covenant that He swore to your

Forefathers, as it is today.
