A Journey into Cosmic Consciousness

At the heart of "Nothing In This Is True But It Exactly How Things Are" lies the exploration of cosmic consciousness. Frissell skillfully weaves together ancient wisdom, modern science, and profound metaphysical concepts to paint a picture of reality as we know it – or rather, as we think we know it.

The Anniversary Edition celebrates this magnificent journey by featuring extended chapters on fractal geometry, ancient civilizations, extraterrestrial contact, and the mysterious power of sacred sites. These additions provide readers with even deeper insights into the interconnectedness of the universe and the boundless potential of human consciousness.

The book invites us to question the nature of reality, proposing that we are all part of a grand cosmic tapestry. Through mesmerizing anecdotes, Frissell takes us on a rollercoaster ride through time, space, and parallel dimensions. He challenges us to embrace the unknown and venture into uncharted territories of consciousness, shedding our limiting beliefs along the way.

An Alchemical Fusion of Science and Spirituality

One of the reasons "Nothing In This Is True But It Exactly How Things Are" has stood the test of time is its seamless integration of scientific and spiritual concepts. Frissell masterfully synthesizes quantum physics, ancient spiritual traditions, and the vision of an awakening humanity into a captivating narrative that is both enlightening and entertaining.

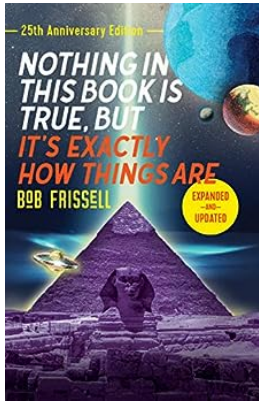

The 25th Anniversary Edition features a new foreword by a renowned physicist, highlighting the book's enduring relevance in the scientific community. Frissell's ability to connect the dots between scientific principles and spiritual insights is truly remarkable – a testament to his deep understanding of the fundamental nature of reality.

The twenty-fifth anniversary edition of this underground classic explores higher consciousness, human evolution, metaphysics, sacred geometry, the secret government, and more

Nothing in This Book Is True, But It's Exactly How Things Are details from a big-picture perspective the enormous infusion of higher dimensional energy that is dramatically raising the vibratory rate of the planet and everyone on it. Bob Frissell has greatly expanded upon the previous edition by including ten completely new chapters. Frissell also gives the details of the personal transformation that we must make if we are to survive and thrive, so we can “catch the ride” into higher consciousness in a way that enables Mother Earth to reach critical mass and become “lit from within.” This is the story of nothing less than the birth of a new humanity and the cocreation of Heaven on Earth.
