N.D. Kapoor's Elements of Business Law is a highly successful and well-established textbook which provides a comprehensive coverage of Business Law. The current book has been thoroughly revised and incorporates the latest legislative changes that have taken place in the last few years. Some of the highlights of the book are:

1. Various aspects of General Principles of law of Contract are explained.
2. The new law relating to Arbitration and Conciliation has been included.
3. The Arbitration and Conciliation Act, 2015, was passed to make Arbitration a more preferred mode of settlement of disputes.
4. Considering the backlog of pending cases in the Courts of India, Arbitration, Conciliation and mediation have assumed a lot of importance today.
5. Special principles and special contract are duly explained.
