### The Birth of As Was Saying

As Was Saying began with a passionate team of archeologists, historians, and technologists who sought to bring the distant past into contemporary consciousness. Their mission: to connect people with their ancestral roots and shed light on the enigmatic secrets of history.

Through cutting-edge technology, As Was Saying blends virtual reality, augmented reality, and advanced 3D modeling techniques to recreate past eras with astonishing precision. This unique approach allows participants to experience history like never before, immersing themselves in long-lost worlds.

### Rediscovering Lost Civilizations

One of the most captivating aspects of As Was Saying is its ability to unearth lost civilizations. From the majestic cities of the Mayans to the ancient mystery of the Sphinx, this groundbreaking project pulls back the veils of time.

Using state-of-the-art archeological methodologies, As Was Saying's team of passionate experts excavates hidden sites, studies artifacts, and deciphers

forgotten languages. They painstakingly restore ancient structures, honoring their original splendor while respecting historical accuracy.

Once the reconstruction process is complete, participants are invited to venture into these resuscitated worlds, witnessing firsthand the grandeur and magnificence that defined our ancestors' lives. Are you ready to walk the streets of Rome or explore the pyramids of Egypt? As Was Saying can take you there.

## **Unraveling Mysterious Artifacts**

Throughout history, countless enigmatic artifacts have perplexed researchers. As Was Saying takes on the challenge of decoding these ancient puzzles, breathing new life into these archaeological mysteries.

By harnessing the power of virtual reality, As Was Saying enables users to interact with these artifacts directly. You can grasp the intricate design of the Rosetta Stone or inspect the infamous cursed mask of King Tutankhamun.

Thanks to innovative technology, As Was Saying immerses you in an archaeological adventure, allowing you to become a detective and unlock hidden secrets from the past. Will you solve the riddles of the Nazca Lines or decipher the messages contained within the Dead Sea Scrolls?

## **Preserving Cultural Heritage**

One of the core values of As Was Saying is the preservation of cultural heritage. By meticulously documenting and digitally preserving historical sites and artifacts, this project ensures that future generations can also appreciate and learn from the past.

This digitization process serves as a time capsule, safeguarding treasures that may otherwise crumble away with the passage of time or be lost due to human

negligence. As Was Saying is committed to funding initiatives that help preserve fragile locations and conserve endangered artifacts.

Through interactive virtual tours and educational programs, As Was Saying promotes awareness and a deeper connection to our shared history. It cultivates a sense of appreciation for the diverse cultures that existed long before our time and encourages us to protect these irreplaceable treasures.

## **Join the Voyage**

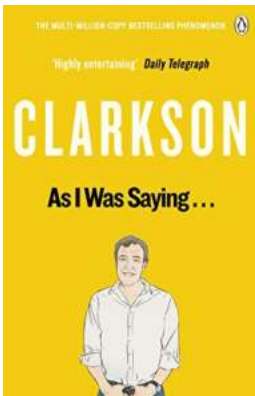

The archeological discoveries made by As Was Saying are nothing short of extraordinary. For those seeking to explore the wonders of the past, this project is an invitation to embark on an unforgettable voyage.

Immerse yourself in a time-travel experience where learning, adventure, and awe intertwine. As Was Saying opens the door to countless untold stories, allowing you to witness the rise and fall of civilizations and unveil the secrets they left behind.

No matter where your interests lie – whether it's ancient Egypt, the Roman Empire, or the mysteries of Machu Picchu – As Was Saying has something incredible in store for you.

**Are you ready to gaze into the eyes of history?** Join As Was Saying on their quest to unravel the mysteries of the past and ignite your passion for understanding our shared human journey.

*Come along, and let's travel back in time together.*

As I Was Saying...is the seventh book in Jeremy Clarkson's best-selling  
TheWorld According to Clarkson series.\*\*\*

Crikey, the world according to Clarkson's been a funny old place of late . . .  
For a while, Jeremy could be found in his normal position as the tallest man on  
British television but, more recently, he appears to have been usurped by a  
pretend elephant.

But on paper the real Jeremy remains at the helm. That's as it should be. For  
nearly thirty years he has been fearlessly leading the charge as one the best  
comic writers in the country. And in 2015, he shows no sign of slowing down.  
So, whether it's pondering

If Jesus might have been better off being born in New Zealand  
Why reflexive pronoun abuse is the worst thing in the world  
How Pam Ayres's head trumps Gordon Gecko's underpants  
Or what a television presenter with time on his hands gets up to  
Jeremy is still trying to make sense of all the big stuff.

Circumstances change. Nothing's forever. But As I Was Saying provides glorious  
proof that Jeremy remains as funny, puzzled, excitable, outspoken, insightful and  
thought-provoking as ever. As if you ever doubted it . . .
