

# White On Dogs: A Closer Look at Beautiful Snowy Coats

Dogs come in a wide range of shapes, sizes, and colors, and nothing captures the attention quite like a dog with a stunning white coat. Whether you're a dog lover or simply appreciate the beauty of animals, the sight of a snow-colored dog can be mesmerizing. In this article, we will explore the awesomeness of white coats on dogs and dig deeper into the significance of this unique color.

## The Allure of White Coats on Dogs

There is something incredibly captivating about a dog with a white coat. It represents purity, elegance, and beauty, making these dogs stand out from the rest of their pack. The pristine white color can vary in shades, ranging from shiny and lustrous to a softer, off-white hue. Regardless of the shade, white-coated dogs are undeniably remarkable.

One of the most famous white-coated breeds is the Samoyed. With their thick, fluffy coats and smiling faces, Samoyeds have become a symbol of beauty and

grace. Their white fur not only adds to their charm but also serves a practical purpose. Being originally bred to live in Siberian climates, their coats help them blend in with their snowy surroundings, providing them with excellent insulation against cold temperatures.

## **The Genetics of White Coats**

While the white coat color may seem like nothing more than aesthetic appeal, there is actually a genetic explanation behind it. Dogs, just like humans, have genes that determine their coat color. The gene responsible for the white coat is known as the "dominant white" gene, which comes in different variations.

This dominant white gene inhibits the production of pigment, resulting in the absence of color in the coat. It's important to note that not all dogs with a white coat are genetically white. Some may have a white coat due to other factors, such as albinism, which affects pigment production in the eyes, skin, and coat.

## **Popular Breeds with White Coats**

White-coated dogs can be found in various breeds, each with its unique characteristics and temperament. Let's take a closer look at some of the most popular dog breeds known for their snowy coats:

### **1. Maltese**

The Maltese is a small toy breed known for its long, silky, and pure white hair. With their adorable looks and playful personalities, Maltese dogs have captured the hearts of dog enthusiasts worldwide. Their luxurious coats require regular grooming and maintenance to keep them looking pristine.

## **2. West Highland White Terrier**

West Highland White Terriers, or "Westies," are a feisty and lively breed that stands out with their fluffy, white double coats. Originally bred for hunting, these intelligent dogs are known for their strong-willed personalities. Their white coats not only give them a distinct appearance but also make them easier to spot in the field during hunting expeditions.

### **3. Samoyed**

The Samoyed, as mentioned earlier, is a large and friendly breed originating from Siberia. These dogs have a thick double coat designed to withstand harsh winter conditions. Aside from their beautiful white coats, they are known for their sociable and gentle nature, making them great family pets.

#### **4. Bichon Frise**

The Bichon Frise is a small breed characterized by its adorable looks and hypoallergenic coat. Their white, curly hair is not only eye-catching but also makes them a popular choice for individuals with allergies. Bichons are affectionate and sociable dogs that bring joy and happiness wherever they go.

## **5. American Eskimo Dog**

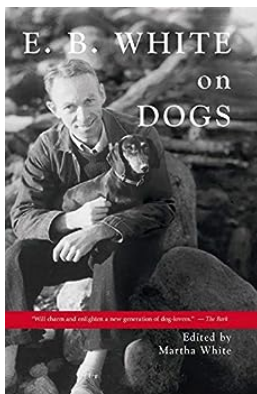

The American Eskimo Dog, or "Eskie," is a stunning breed that stands out with its bright white coat and fluffy mane. Despite their name, these dogs have no association with Eskimo cultures. They are intelligent and agile dogs that thrive in various activities such as obedience training, agility, and even performing tricks.

The allure of white coats on dogs is undeniable. From the elegance of a Samoyed to the charm of a Maltese, each breed with a white coat possesses its

unique qualities and characteristics. Whether we are captivated by their beauty, appreciate their functional properties, or simply want a soft white companion, these dogs never fail to bring joy into our lives.

So next time you see a white-coated dog walking down the street or encounter one in a park, take a moment to admire their stunning coat and appreciate the wonders that nature can create. Remember, beauty comes in all shapes, sizes, and colors, and white coats on dogs are undoubtedly a testament to that.

### **E.B. White on Dogs** by E. B. White (Kindle Edition)

E. B. White (1899 1985) is best known for his children's books, *Charlotte's Web*, *Stuart Little*, and *The Trumpet of the Swan*. Columnist for *The New Yorker* for over half a century and co-author of *Strunk and White's The Elements of Style*, White hit his stride as an American literary icon when he began publishing his 'One Man's Meat' columns from his saltwater farm on the coast of Maine.

In *E. B. White on Dogs*, his granddaughter and manager of his literary estate, Martha White, has compiled the best and funniest of his essays, poems, letters, and sketches depicting over a dozen of White's various canine companions. Featured here are favorite essays such as 'Two Letters, Both Open,' where White

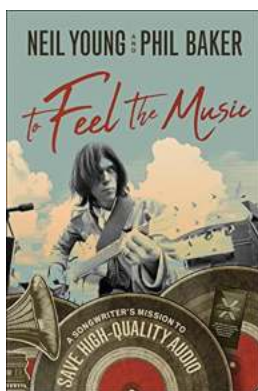

takes on the Internal Revenue Service, and also 'Bedfellows,' with its 'fraudulent reports'; from White's ignoble old dachshund, Fred. ('I just saw an eagle go by. It was carrying a baby.') From The New Yorker's 'The Talk of the Town' are some little-known Notes and Comment pieces covering dog shows, sled dog races, and the trials and tribulations of city canines, chief among them a Scotty called Daisy who was kicked out of Schrafft's, arrested, and later run down by a Yellow Cab, prompting The New Yorker to run her 'Obituary.' Some previously unpublished photographs from the E. B. White Estate show the family dogs, from the first collie, to various labs, Scotties, dachshunds, half-breeds, and mutts, all well-loved.

This is a book for readers and writers who recognize a good sentence and a masterful turn of a phrase; for E. B. White fans looking for more from their favorite author; and for dog lovers who may not have discovered the wit, style, and compassion of this most distinguished of American essayists.
