"To sleep... perchance to dream..."

When Shakespeare wrote these words for Hamlet, he probably wasn't thinking about two women in bathing suits trying to put each other to sleep. But that's exactly what Becca and Luscious Lee were trying to do to each other in their match named for the Bard's classic line.

It was a multi-fall knockouts-only match, and quite a battle it was, indeed. These images were taken during the battle, many quite clear, a few just slightly blurry, but YOU try keeping up with fast moving gals! We kept a few of the less-than-perfect images because they still represented the action from a bout both girls should be proud of. We are!

Twenty pages with 60 images, including the popular "pop-up" panels that will bring you 150% closer to the action.
